

IB Artist Research Page Format

Artist's Life - in the opening section, please include basic biographical information such as nationality, time period of artistic activity, education and other formative life experiences the artist may have had. Feel free to include important dates and information that helps tell the artist's story.

Artist's Work - in the next section, please summarize what is known about the artist's work. Please include information about media/materials, subject matter, ideas, concepts, and approaches to art making. You will need to research and source this information from reliable websites. Feel free to include quotes from the artist or critics or writers that have written about their work, as long as they are properly acknowledged.

Artist's Influence - in your concluding section, explain what it is about this artist's work that interested you and how will that influence your IB Art projects? What aspects of the artist's practice might you borrow as an influence in your own work?

Sources - Please include sources for all work consulted or cited including images.
